A Clarification...The Policy on Guests for Potluck and Events. Guests of residents have been welcomed to VRGCS social events for a long time. A resident would sign-up a guest and it was expected that there would be a donation for that guest. The community drifted away from the policy for a very short time but has returned to it.

For a guest, VRGCS requests a \$10.00 donation per guest when the community pays for entertainment and a \$5.00 donation per guest when there is no paid entertainment. At a potluck, a guest is expected to bring a dish to share plus make a \$5.00 donation. There is NO charge for Residents
