July 2022

Some important news:

WELCOME CINDY, BINGO MANAGER:

I would like to take this opportunity to introduce myself. I am Cindy Olson and I volunteered to be the new Bingo manager. I am working with Al Hill to learn everything I need to know about my new job. This is the first time I have volunteered for anything. I enjoy the time I spend at Bingo, working with other volunteers. I volunteered for this job to keep our HOA low; without Bingo our HOA would go up a lot. We need more volunteers to keep Bingo running, so we can have the community life we want. I would like your help as volunteers to keep our HOA low for everyone.

Did you know?:

*Bingo helps pay for many of our Velda Rose expenses (ie: SRP/SW Gas/general maintenance & repairs/office & pool supplies)-(just to mention a few). Without Bingo those expenses **STILL** must be paid & funded elsewhere-which may inevitably mean our HOA dues may need to be increased. Truly a vicious cycle!*

Good news is:

*We **ALL** can help by pitching in/taking turns to add to our much appreciated faithful skeleton crew of Bingo volunteers.*

To help you determine which Bingo volunteer position best suits you, please refer to the following Bingo (job) description:

Volunteer position	(Job) description
1st Cashier	Rings Bingo card order on register & makes change/Oversees calculation of game prizes/Give Floor person prize money
2nd Cashier	Rings Bingo card order on register & makes change/Count till money both at start & end of Bingo/Works until break time
Sales People	Double checks the Bingo order card the customer gives you & hands them the correct Bingo game cards
Floor person	Reads Bingo numbers for verification then hands out prizes
Callers	Call numbers/tell what game is next/Bingo numbers verification (If 2 Callers they can split shift)
Kitchen snacks	Setup & Sell snacks & coffee/Cleanup

****Please note**:***

- *Easy training will be provided*
- *Please don't let lack of mobility or other medical concerns prevent you from volunteering (We will do our best to accommodate you so that these "hiccups" in life are as small as possible)*
- *The more Bingo volunteers=less of an individual time commitment*

Volunteering Benefits:

- *Positive physically & mentally*
 - *Brief escape from stress*
- *Seniors (aka 'ol farts) can still learn new things 😊*
 - *Sense of purpose*
- *Instead of marking our calendars with only Dr's appts & bill pay reminders you can mark your calendars with volunteer commitment dates (encourages positives)*
 - ***FUN!!!!!!!!!!***
- *Bingo volunteers get one free Bingo kitchen treat! 🍿🍫🥤🍦*

*Please free to call Cindy (Bingo Manager) @
971-444-3384 should you have any questions*

A few reminders:

- *Unsure why some of you are not receiving your Debi's Dynamics email?? Please check your Spam folder. Also please be sure to update me with any email address changes*
- *If you notice ANY suspicious activity (especially a white Ford Explorer that has been stalking/harassing our community), please call Mesa Police @ 480-644-2030*
- *For everyone's safety, there is NO GLASS bottles allowed in the pool area. Please remember to put pool noodles/toys back into storage chest after you and/or your guests have enjoyed using them.*
- *Trying to work "smarter" not "harder" by using a timer to make coffee. Ah...a few extra "winks".
Thanks John for getting the timer.*

If you do, please call Debi Schmaltz @ 480-329-8321 for information & Vendor Application.*
- *Know someone who has passed or is ill? Please contact Debbie Evans (Sunshine Lady) to mailout a card @ 480-363-2153 or email: retiredinar@gmail.com*
